

The background of the slide is a technical drawing or blueprint, rendered in a light orange color against a darker orange background. It features various geometric shapes, lines, and symbols, including circles, rectangles, and what appears to be a gear or a complex mechanical part on the right side. The drawing is somewhat faded and serves as a decorative backdrop for the text.

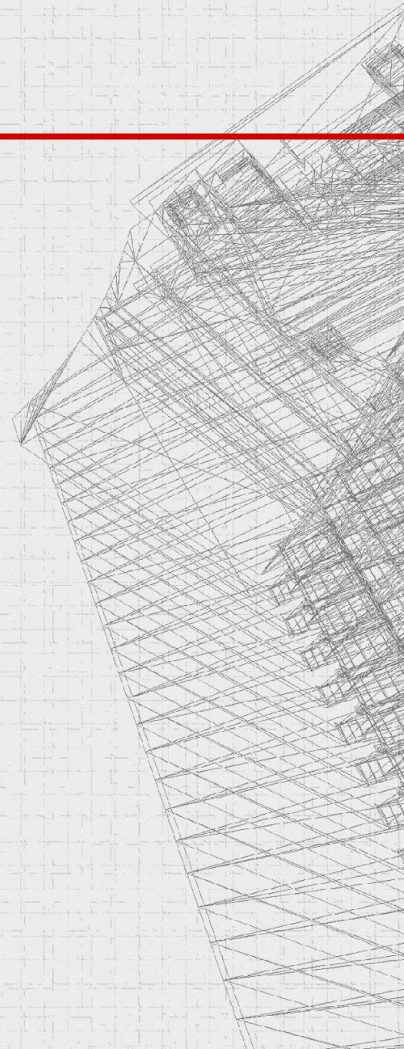

UMass AGC Student Chapter

Chapter Meeting

March 29, 2021

Today's Agenda

- Introductions
