

UMass AGC Student Chapter

First Chapter Meeting
Fall 2020

UMass AGC's Goals

Advance student interest in construction

Connect with industry professionals

Aid students in construction career development

Strengthen the relationship between UMass and the construction industry

AGC Primary Events

OSHA-10
Training

Construction
Site Tours

Guest
Speakers

OSHA-10 Training

- A safety certification required by some employers for un-supervised construction site access
- We offer a 2-day training at a discounted price!
- Looks great on your resume

Construction Site Tours

- Gain insight to the inner workings of a construction site, including:
 - Planning and design of buildings
 - Project timelines and scheduling
- Explore topics related to sustainable design, LEED-certified buildings, and more!

Guest Speakers and Chapter Meetings

- Learn from industry professionals and construction companies, especially about:
 - The planning and coordination of projects
- Communication among colleagues
- Ask questions, get advice!
- Meet potential employers, connect with peers
