

Stroke Support Group

358 North Pleasant Street, Amherst, MA 01002

Second Saturday of every month, 10:30 am – 12:00 pm

Hello everyone!

Our February meeting found our group making new friends, sharing good news and advice, learning about new community resources, and, as usual, inspiring our graduate students and each other with spirited stories of **resilience**. In other words, it was a perfect blend of everything we love about our group. See you next month!
